Sunday 6th October 2013

10am

Welcome to the Bournville Harriers annual Leafy 10k race, a two lap course run around the streets and parks of Bournville in Birmingham.

A map of the course is available on the club web site www.bournvilleharriers.org.uk or <http://www.runningmap.com/?id=612956> however, be aware that small changes may have to take place if the weather is very wet in the preceding week. We have once had a small stream become a river and completely cover the path.
