Minutes (Key Points)

1. Awards Evening

- Held in March – Need to start considering
- Chris believes we should form a sub-committee for this
- Lynn Gossage’s family have purchased a trophy in her memory, called ‘Endeavour’
 - Need to find how to award it
- There are medals too – for runners up?

2. Coaching

- Coached training – tempo run session every other week?
- Concern if we reduce coaching to every other week it will be difficult to restore to once a week.
- It is felt that interval training sessions have been well received
- Could trial tempo sessions for member feedback

3. Christmas Party

- 25 attendees so far
- ‘Juicy Jackets’ booked
- Music booked.
- Cupcakes require payments
- 7-8PM – Band playing
- 8-9:15 Food
- 9:15-10:45 Music
- Bar confirmed to be well staffed this year

4. Yacht Handicap

- Cannot currently pay online
- Prizes not organised yet
- On from 2PM
- Drinks and mince pies afterwards? Suggested people may prefer some other food after Christmas!

5. Member of the Month

- Chosen

6. Virgin Marathon

- Raffle to be drawn Thursday

7. Championships Marshals

- Because we are not hosting championships we have to provide marshals and a judge in January (at Coventry)
